VOICE TO GOVERNMENT

Our Public Policy Group (PPG) meets on a regular basis to review, comment and provide guidance on all relevant government policies affecting SMEs. The PPG is currently liaising with officials at HMT and HMRC, and issuing frequent updates.

MEMBER ENQUIRY SERVICE

Within the Group, we are fortunate to have access to a range of experts in diverse disciplines. Our Member Enquiry Service allows you to tap into their expertise - ask questions and get answers to help you and your clients. Contact Ros Dolbear via rosd@uk200group.co.uk.

PEER TO PEER NETWORKING

Our Managing Partners, Lawyers, Smaller Firms, HR and GAPs are holding, or planning to hold, regular drop-in calls. These are a safe and confidential space to discuss any burning questions, share knowledge and connect with your peers.

COMMUNICATIONS AND MARKETING

Our marketing taskforce is focussing on providing resources that promote professional communications between members and their SME and self employed client groups. Plug and Play communication packs have already been issued, and are available to members.

KNOWLEDGE HUB

Our Knowledge Hub is a repository of expertly curated resources, a personal development log, and a set of forums. Our resources range from webinars, videos, articles and more! The site will be live to members in Summer 2020, with an early release beta site that's been released to Contact Partners in March 2020.
